

FIRE & EXTENDED COVERAGE:

Fire and extended coverage insurance will be provided on buildings and contents including busses and other vehicles owned by the school district.

BOILER INSURANCE:

A separate boiler coverage with a limit of liability as determined by the Board of Education will be provided. It covers damage to district property caused by boiler accident.

LIABILITY:

Liability insurance will be provided to cover members of the Board, and elected or appointed officials of the district and any employee or authorized volunteer worker of the district.

BUSSES & MOTOR VEHICLES:

All busses and other vehicles owned or leased by the Board shall be adequately insured for liability, property damage, and personal injury protection (No-Fault coverage).

SURETY BONDS:

A "Public Officials Bond" as required by state law will be provided for the Clerk/Treasurer of the Board. (53-6-4 and 53-6-5). Surety bonds in appropriate amounts will be provided for other employees who handle district funds, such as secretaries, principals, food service manager, etc.

EMPLOYEE INSURANCE:

See policy DDB in the personnel section for explanation of health and accident, life and other insurance provided for employees.
