

EXTRA CURRICULAR BUS RUNS

CJB

After consultation between the bus driver and chaperone (coach, teacher, advisor & etc), and taking into account weather conditions and safety hazards, the bus driver will make the final decision on the continued travel.

For the safety of students, and liability of North Summit School District, this policy has been adopted for extra curricular activity trips.

When a bus driver is returning students after an extra curricular trip, all students will be returned to the high school ONLY. It is the parents'/guardians' responsibility to provide transportation to their home.

Parents/guardians have the option to have their child released to their custody with the permission of the coach/advisor at the activity site.
