

## **HEALTH EXAMINATION**

**DBC**

Evidence of good health is required of all employees. First appointment as well as permanent employees may be required to show evidence of good health including physical examinations at the Board's request.

Any employee whose health is thought to be adverse to the welfare of pupils or employees may be required by the Board at any time to submit to a health examination by a physician or surgeon.

The superintendent may recommend employees for health examinations at any time if he has reason to believe that the health of the employee is harmful to the welfare of pupils or other employees, or the ability or advisability of the employee performing required duties.

## **TUBERCULOSIS TESTS**

Each employee shall file with the office of the superintendent a certificate showing that he/she is free from active tuberculosis. The expense shall be born by the School District, if the employee complies with certain opportunities provided by the District for tuberculosis tests.
