

SALARIES

1. Employees will be paid according to the appropriate current salary schedule based on previous training, and experience with the district. Certificated employees entering the system with previous experience may be given credit for their experience. (Refer to Policy DBB, #E for placement on teacher salary schedule)
2. Salary shall be payable in 12 installments on or before the 1st day of each calendar month beginning with October 1st of the year and continuing each month thereafter until fully paid. On request, the Board may grant the payment of the salary on a nine-month basis for those employees who work nine months.
3. If the services of an educator are terminated in the manner hereinafter provided, prior to the completion of a school year, the balance of money earned to the date of termination shall be payable upon release.
