

NON-CUSTODIAL PARENTS' ACCESS TO CHILD'S EDUCATIONAL RECORDS

FEB

Both custodial and non-custodial parents shall be allowed access to their child's education records. However, a school principal or designee shall not allow a non-custodial parent access to the child's education records if:

- 1) A court has issued an order that limits the non-custodial parent's access to the child's education records; and
- 2) The school has received a copy of the court order or otherwise has actual knowledge of the order.
