FGAB

DANGEROUS MATERIALS

No student or other person shall possess a weapon, explosive, flammable material or other materials dangerous to persons or property, in a District elementary, or secondary school, on the grounds of the school, or in those parts of a building, park, or stadium, which are being used for an activity sponsored by or through the District school. This provision does not apply to on duty law enforcement personnel.

Utah Code Ann § 53A-3-502(1)

EXCEPTION

Possession of a weapon, explosive, flammable materials or other material dangerous to persons or property shall not violate the above provision if possession is approved in writing by the responsible school administrator or if the item or materials is present or to be used in connection with a lawful activity approved in writing by the responsible school administrator before the material in question is brought on school premises.
