**North Summit Elementary
LEA Parent Involvement Plan**

North Summit Elementary regards parental involvement as a vital to the academic success of students. Parents are the initial teachers of their children and serve as partners with our school in helping their children achieve.

The administration of North Summit Elementary will involve parents in the development of the district plan by:

- Including parents from the School/Community Council to help in the development and approval of the UCA, the Land Trust Plan and the building Reading Achievement Plan.

The school administration will involve parents in the process of school review and improvement by:

- Sharing the achievement data from the school
- Ensuring that teachers share individual student progress with parents
- Require all participants to sign-off on Parent/Student/Teacher Compact
- Invite input from parents regarding LEA and school academic goals
- Providing opportunities scientifically based research instructional practices

To increase parent involvement, the school will:

- Work with PTA to schedule quarterly parent involvement seminars to help parents to work with their children most effectively

To ensure that Title 1 schools are involving parents in a variety of school activities:

- The school will submit a report of successful parent activities to the Superintendent and the School/Community Council

To provide parents with an opportunity to give feedback and evaluate the program:

- The school will provide parents with an end of the year survey.
